

ALL the ways to learn and play after school!

+What is ALL?

Afterschool Learning at Longfellow (ALL) is a fee-based enrichment program that offers affordable, educational classes to all Longfellow students. Each class begins immediately after school dismissal and runs for 1 hour. Classes focus on STEAM, movement, art and more!

+ How does it work?

Parents will receive the schedule and registration info and can sign up and pay online. Once registration is closed, ALL volunteers will confirm rosters and send out confirmation emails to families. Once the session begins, children will meet their instructors in the PKP hallway after dismissal, where attendance will be taken before the kids are escorted to camp. Pick-up will be at **4:00** in the front entrance hallway (**3:30** on Wednesday). We reserve the right to dismiss from the program (w/o refund) children who are picked up late more than once or who are disruptive in class.

+What else do I need to know?

- If needed, kids may eat **a nut-free snack** in the hall before class begins.
- **Need-based scholarships are available.**
- No refunds are given after the first week.
- Kids in Clubhouse/Hepzibah will be picked up by staff in those programs.

+ **Spring Schedule: April 1-May 24**

+**Registration Period: Monday, March 11 - Friday, March 22**
